## PÉT NAT SPARKLING WINE MALVASIA BIANCA

ANTICO, the Italian word for ancient, is an appropriate name for these refreshing releases that were vinified using the world's oldest method of producing sparkling wine. We've updated this "pét nat" process to capture the fresh fruit aromatics that are usually lost during fermentation and create a remarkably consistent, natural carbonation with no added sugars.

These 100% varietal wines were harvested early, specifically for sparkling wines. Individual lots were chosen for aromas, color, flavor and true varietal character. They are naturally carbonated, naturally flavored and have no added sugar. The simple cork and wire cage closures complement the traditional production style and natural look.

2018 Malvasia Bianca California

Winemaker Comments: Aromatic with expressive notes of honeysuckle. The rich flavors include peach, apricot and ripe pear.
